A word from the Top Dog.....

Dear family, friends, players and fans of the mighty 2012 Bulldogs,

School Holidays: training and games. WE WILL STILL BE TRAINING ON FRIDAY 30 MARCH

This coming week end (24th and 25th March) is our last game before school holidays.

Even though there are no games on Saturday 31st March and Sunday 1st April we will still be having training at the same time and same place(s) on Friday 30 March 2012.

Field Marshalls' Meeting on this Friday 23 March

This year each team is required to have a field marshall for their home games. Coaches and managers have been advised of this so each team should by now have a volunteer to do this.

There is a meeting for all field marshalls at 5.30pm on this Friday 23 March at the Bickley Bar at the Club so we can run through what the job involves.

KEEPING THE KENNEL TIDY

Would all parent and players please avoid littering both during and after training on Friday nights (and on the weekend when we have home games) as there has been quite a lot of rubbish left lying around and someone has to then go pick it all up... we are also in the running for the tidy park competition so please help.

Parent Behaviour

Unfortunately last weekend there were some examples of inappropriate behavior by parents/supporters.

We must reinforce the requirements of the code of conduct and the spirit of good sportsmanship required by all our parents. Could parents and team officials please consider their behavior on the sideline. Measured and appropriate applause should be given to **both** teams.

Please take responsibility for your own and your team's conduct each weekend and give the kids from both teams an enjoyable and rewarding experience. This year Wests will be implementing the "Positive or its Pointless" campaign; keep a look out in coming Newsletters.

The priorities for our junior players are (and always will be), firstly, that they have FUN and, secondly, that they play HARD, but ALWAYS FAIR, on the field. It is a GAME for both our players and the opposing team to ENJOY.

Cheers

Tony Buckley

Junior and Senior President (THE Top Dog)...busy times getting the season under way...

Match Reports – Saturday 17 and Sunday 18 March 2012

Please try and get your match reports in by midday on the Thursday after the games (Email to gawshaw@gmail.com - please include the final score. If you have them, add some photos as well please, so we can have a good mix of photos from all of the teams.

Wests Under 7 Barbarians (80) defeated Ipswich White (60) at Cubberla Creek Reserve

The boys looked the part in their flash new jerseys, mouthguards, boots and a sea of bobbing headgear.

Ryan (4) opened the account quickly and set the tone for the match, later, in a performance that makes him a perennial MOTM contender, he scooped up a loose ball to score without missing a beat. Morgan (1) was all over the defence, with solid tagging and setting up a brilliant try for Mac (1) who was poised ready to swoop in a nice bit of second half teamwork. James and Kai were in the thick of the action and getting involved in some great rugby while Christian pounced on a loose ball to change the direction of play. William's (2) amazing speed and uncanny ability to swerve away from his pursuers at the last second delivered him two great tries. Cooper (2) charged through the opposition to score while Max (2) did a lot of great evasion to get over the line. What a debut for Jackson (1) crashing over the line through a crowd of defenders and Ollie (1), who not to be outdone, ran diagonally across the field to score in the dying minutes.

Man of the Match was closely contended with the gong going to Harrison (2) for some tight defence, wrapping up the opposition with rapid fire tags, good anticipation and a couple of great tries.

Well done boys. Thanks to Matt for the successful interchange on Greg's flash new benches, Llew for running the line and to our sponsors Reload Media, Irish Bentley Lawyers and Statewide Trade and Labour Hire. (Michael Stevens).

Under 7 Wests Barbarians.... and Coach "discrete/hidden moves" Shaw...wonder if Ipswich guessed Wests were going to go left? PS: Where's Wally (aka Llew Jury)?

Under 7 Wests Gold (35) defeated Everton Park Blue (30) at Horse Blake Oval

So the first game of the season was a muddy one against Roosters in Everton Park. Our intrepid bulldogs were told to run hard and have fun, tasks they accomplished with vigour. The game was a try scoring bonanza for the boys with the honours shared around.

At half time oranges were added for zest. The coaches asked for more of the same and the boys did not disappoint. Bulldogs ran away in the second half to a final score of 35-30 Despite a paucity of snakes, there were plenty of smiling faces afterwards. See you all at training on Friday!" (Kirilly Dutton)

Under 7 Wests Gold... tactics meeting.... or perhaps trying to find out where the missing jersey is...

Under 7 Wests Harlequin (40) came second to Easts White (45)

Proud of their new team name and eager to get the competition going, the U7 Wests Harlequins travelled to Bottomley Park. In a game which quickly got the supporters cheering, both teams adopted early on an expansive game and to the crowd's cheers found the try line on numerous occasions. The Harlequins did not only entertain, but showed off the new skills and stuck (mostly) to the coaches' strategy of moving the ball around. The Easts White defence was solid, but the Harlequins pierced it 8 times for Tarek, Seth, Will, Ronan, Patrick and Declan to each score one, with Xavier managing twice to leave the Easts wings behind. Sean, Wilson and Huani were instrumental in creating the spaces for their team and defending well against a fast opponent. The lead changed a couple of times, but in the end an intercepted pass made the difference, with Easts scoring a late winner.

Despite the loss, the coaches were very pleased with the effort of their team, the discipline they showed in spreading out and passing the ball. Seth was nominated as the Harlequin player of the match for best the positional game, as well as for getting his line-out organised.

Under 8 Wests Green (40) defeated Easts Red (20) at Bottomley Park

What a start to the 2012 Rugby season for our Bulldogs Under 8 Green, who travelled to Bottomley Park to face Easts Tigers Red!

Blurry-eyed parents, up since before dawn with their keen young charges ready and raring to go with in their first game of “full contact”, watched with excitement as the boys put on a great display of their newly-developing tackling and rucking skills. These were well-complemented by the same team-work and passing game that characterised the Green Doggies 2011 season under Supercoach Hillard.

There were strong performances from all members of the team. Sam Mellick led the scoring with three great tries, including a storming run through the centre of the field. James Ellis added two great touch downs to some bone-crushing offensive tackling. Displaying no ill-effects of a shortened 2011 season, James Douglas displayed his well-known strong defence and running, scoring the teams other two tries. Charlie Petersen enjoyed his first taste of tackling and was all over the park. Matt Nowland and Will Andrews were good around the breakdown as were Tom Lucht and Ryan Leslie who put Friday night’s training into action with some good tackling and “pick and drives”.

James MacPherson and Joe Hillard started where they left off last season with some strong running and good passing. Fantastic first game boys! (George Mellick)

Under 8 Wests Green... with (new) 2012 strip and (old) Super coach Hillard

Under 8 Wests Gold (27) defeated Everton Park Blue (25) at Horse Blake Oval

Under 8 Gold gathered on a muddy Horse Blake Oval to face the Everton Park Roosters. While the crowd battled valiantly to resist the obvious puns relating to chickens and knocking the opposition off their perches, the team took the field determined to allay their parents trepidations about their first ever game of tackle and prove that their mantra this year would be “tackling wins matches” (okay it’s not the catchiest mantra, but it’s the first game of the season, give us time). The team was soon behind on the score sheet though as the Roosters scored the first try of the match. The boys didn’t drop their heads, they drove to the opposition try line and as they expertly controlled possession, the pressure finally told and Harry Dutton dove over in the corner to score Gold’s first try of the new season. Showing he’s been practicing his kicking in the off season, Harry coolly slotted the conversion.

The next period of play was characterised by stout defence as Charlie McCauley performed heroics to hold the opposition out. As Tom Strevens made his first of many try saving tackles for the day, he jolted the ball free and Harry

Dutton, spotting the opposition in disarray, shimmied through the defence and sprinted for the try line. His laser boot was on target again as the conversion took the score to 14-5. A lapse in concentration from Gold saw the Roosters put on 3 unanswered tries and a conversion. Trailing by 8, Gold desperately needed to score next to stay in touch, answering the call was Jake Ferguson. With a bullocking run he left would be tacklers strewn in his wake, although he was eventually hauled to ground, the damage was done. Tom Strevens was able to gather the ball and, shrugging off 3 tackles of his own, crash over the line.

Back in touch, Gold were left to rue poor ball security as the Roosters managed to strip the ball and score to regain their 8 point advantage. This advantage didn't last long as the whole team pitched in to drive Jack Stevens over the line and put Gold within touching distance of victory. However, all seemed lost as, with time running out, the opposition's star player raced for the try line and seemed certain to put the game beyond doubt, but once again Tom Strevens came up with a fabulous tackle to deny him. The team then rallied in a last ditch attempt to repel the Roosters from their try line, eventually forcing a knock on. Still, with bare seconds remaining and camped on their own try line, it seemed the fat lady had sung. However, Bailey McIntosh hadn't read that script, receiving clean ball from the base of the scrum he burst through the Roosters' defence to sprint the length of the field and dive over on the final whistle, handing Gold a much deserved 2 point victory. As the boys left the field, their shiny new jerseys were drenched, not only in mud and sweat, but also in glory.

Under 9 Wests Harlequin (26) came second to Easts White (41) at Bottomley Park

With management deceiving everyone including themselves, every player arrived inadvertently early (by 1 hour). So the team was well warmed up and prepared for their first game of the 2012 season.

Well done to the team for a great display of rugby. The familiar 'body on the line' tackling of Joe Williams and Louis Hunter was great to see. The new players to rugby, Adam and Julius were excellent additions to the team as was Dermott and Patrick. It was great to see the development of some of the original pack, such as Lachlan, Oscar, James, Hagen, William and Jack. Jack showed added enthusiasm now under the coaching guidance of his dad, John Tynan. And Hagen was excellent in defence.

The first scorer for the season was Dermott, who showed great determination to push through the East's defence. The speed of Joe and Braedon was on display scoring two and one tries respectively. Conversions by Oscar, Louis and Joe were executed effortlessly.

After the Bulldogs team song, lead by a few U12 West players, Manager Hunter foolishly revealed a pack of snakes and was mobbed by the pack of sugar-starved fiends.

We certainly have a great team of boys all enthusiastic about the season ahead. (Jim Hunter)

Under 10 Wests Green (87) defeated Caboolture Maroon (0) at Kevin Keaser Oval

It was damp under foot as Under 10 green set to work on the 2012 season against the "Snakes" in Caboolture. Mums flinched as the newly pressed Jerseys were soiled (ed – huh?) in the first minute of the warm-up in the swamp next to the try line.

Whatever Coach Gio was working on paid off, as several 5-pointers were posted in the first few minutes; it was a dominant start for the young Dogs. New team tough men, Emerson and Harry, poached from other codes by hugely lucrative contracts, showed nothing of their inexperience for the "game they play in heaven" with several bustling runs and strong defence up front. Our other debutants also made early impressions. Sean (I've finally seen the light and left Ashgrove) Coman showed a clean pair of heels in scoring his opening try for the season and Jack (I promise not to break my arm today) Steel also played well. It was also great to see the old firm back together and in form. There is not space to mention all by name, suffice to say that there was a very pleasing flavour of team work during the match. Some good forward play complemented by expansive runs in the backs that finished in tries. The game was played in great spirit with several of the West boys agreeing to swap jerseys and spend some time playing in opposition colours. This helped to even up the contest.

We all returned from our road-trip well satisfied that the season was underway. (George Mellick)

Under 12 Wests Green (0) came second to Everton Park Navy (47)

Our season opener against Everton Park brought together a number of new boys to the club so it was a great opportunity for the coaches to assess "the cattle". Our back row combinations of Harry David, Will Finlay, Charlie Meyrick and Isaac Strevens impressed with some strong running and committed defence.

The wet conditions offered little opportunity for the backs however Dom Hunter showed great turn of speed on a number of occasions to launch some good attacking phases and Josh Russo showed his typical dogged determination in both attack and defence, exemplified by the try saving tackle he made in the final minutes. New recruit Ben Darolles may have been one of the smallest in the team but showed big heart and boundless energy with some strong running and great support play.

Despite the result, all the boys showed a lot of heart in competing to the very end and, with a bit more attention to tackling around the legs and supporting the ball carrier, our first win is not far away. (Anthony Ott)
