ABOUT US

Wests Bulldogs Rugby Club is a proud community club with a rich history and culture that has served as a home away from home for thousands of rugby players since 1951.

Centrally located in the heart of Toowong about 3km from the Brisbane CBD, the popular club has recently undergone major redevelopment, leading to our brand new 'Kennel' framed by our historic fig trees and stunning battleground of Sci-Fleet Stadium. The advent of our new commercially based \$15million clubhouse in 2017 has established Wests Bulldogs Rugby Club as a professional rugby club in Brisbane. With a clear mandate to develop rugby and support our community, this brand new facility is available for all of our members, our corporate partners and the general community to enjoy.

While the facility clearly provides benefits to our playing membership base, it now allows the club to entertain our supporters, sponsors and corporate partners in a professional environment, delivering on key hospitality and function benefits like no other rugby club in Brisbane.

For players we offer programs and pathways for 3 year olds to Golden Oldies. We are also a Premier Rugby Club that competes in the Qld Premier Rugby competition.

Together we are a club, together we are the 'Wests Bulldogs Rugby Club'. You too are very welcome to join us.....
